English, Yoruba

Hobby

Hobbies:

- Coding: I enjoy exploring new programming languages and frameworks, and working on personal projects to continually improve my skills.
- Singing: Music is a passion of mine, and I find joy in singing and expressing myself creatively.
- Listening to Music: I appreciate various genres of music and find it helps me relax and focus.
- Researching Web Development Best Practices: I'm always looking to improve my workflow and stay up-to-date with industry trends, so I enjoy researching and learning about new tools and techniques to enhance my web development skills.

Achievement

My Web Development Projects

I'm excited to share my web development projects with you! Below are some examples of my work:

- Toos Baby Lounge School Website: (<https://lilwilli.github.io/Toos-website/>)
- Animeclone Jumia Website: (<https://lilwilli.github.io/ReactApp/>)
- Simple Recipe Bake Website: (<https://lilwilli.github.io/Recipe-Bake-/>)
- Portfolio Website: (<https://demiadeptan.wixsite.com/my-site-1>) (featuring the above projects)

Feel free to explore these projects and see my skills in action!
